

CALL FOR PAPERS

Conference on Cybersecurity and Applications (CCA'2026)

 **25-26**
NOVEMBER 2026

 **National School of Cybersecurity**
Scientific and Technological Hub Chahid
"Abdelhafid Ihaddaden", Sidi Abdallah,
Algiers – Algeria

Organized by the National School of Cybersecurity (NSCS) and the Information Systems Security Agency (ASSI), CCA'2026 aims to bring together researchers, academics, practitioners, students and professionals to discuss recent advances, challenges, and applications in the field of cybersecurity. The conference will be a premier forum to share innovative ideas, present cutting-edge research, and foster collaboration to shape the future of cybersecurity in Algeria and beyond.

SUBMIT YOUR PAPER!

Authors are invited to submit their contributions electronically in PDF format via:

<https://cmt3.research.microsoft.com/CCA2026/>

Papers must be original, not submitted or under consideration, unpublished, and must be written in English. Each paper should not exceed eight (08) pages, including figures and references, and must follow the IEEE conference template (PDF format).

All submissions will undergo a rigorous double-blind peer review process. Authors names and affiliations must be removed from the submitted manuscript. Acceptance will be based on quality, relevance, originality, and clarity of presentation.
